Contour Prepaid is a managed service of Contour Technology, a proudly South African ISO 9001 B-BBEE level 1 company which designs and develops Revenue Management Systems. At Contour Prepaid, we provide an outsourced online management service for prepaid meters.

We make managing prepaid meters easier for landlords and tenants alike. Our service is comprehensive, competitive and easy to use via our efficient online management systems: WireIT, our extensive retail network and our our online terminals.

WireIT is a patented electronic payment platform that utilises various banking channels to purchase prepaid electricity and water tokens.

Customers can buy tokens from the following channels:

- A) Banking channel
- B) Retail network
- C) Online terminals

A) BANKING CHANNELS

REGISTERING FOR ONLINE PURCHASE IS EASY:

SMS REGISTRATION

REGISTER

SMS your 11 digit meter number to 36073 (SMS costs R5).

ACTIVATE YOUR ACCOUNT

You will be sent a message notifying you that your account has been activated.

ONLINE REGISTRATION

REGISTER

Register online by visting www.wireit.co.za fill out the registration form and include a valid email address.

ACTIVATE YOUR ACCOUNT

An email will be sent to your registered email address. Activate you account by opening the email and clicking on the activation link. If the link does not work, copy the link and paste it into the address bar in you web browser.

BUY TOKENS VIA EFT, CELLPHONE OR ATM

You will now be able to buy electricity and water tokens at participating, using your STS meter number as a reference. After you have made a deposit you will receive a prepaid toke (20 digit numeric number) via e-mail or sms.

B) RETAIL NETWORK
